

Parents/Carers

Mr Lothian

17 June 2014

Dear Parent/Carer

It has been wonderful to see our senior students return to school following the SQA exam diet with an extremely high standard of uniform and presentation. We are looking to them to sustain this excellent start and hope to build on this for session 14/15.

Throughout the month of June, we will be communicating our Uniform Policy with all students in Homeroom and passing information home.

I hope that this communication will ensure that our expectations are clear for students and parents alike.

We understand that families need to plan ahead and this is why we are publishing our policy for session 14/15 at this time. In seeking your support, I ask that you plan to meet with the standard outlined overleaf for our return in August.

A positive approach to uniform is important to us for all the reasons outlined overleaf. We believe that our standards of presentation say a great deal about who we are and how we think about ourselves. I am sure that, with your support, we can and will see standards of uniform improve at Perth Academy.

In August we will be focussing on maintaining these standards throughout the school with the support of classroom teachers and homeroom tutors.

If you wish to discuss any aspect of this with me please do not hesitate to get in touch.

Thank you for your support in this matter.

Jonathan Lothian
